

**City of York Council –Pay Policy Statement for the period

Introduction

Under Sections 38 – 43 of the Localism Act 2011 the council is required to produce a Policy Statement that covers a number of matters concerning the pay of the council’s senior staff.

This Policy Statement meets the requirements of the Localism Act in this regard and also meets the requirements of guidance issued by the Secretary of State for Communities & Local Government to which the council is required to have regard under Section 40 of the Act. This Policy also relates to the data on pay and rewards for staff which the council publishes under the Local Authorities (Data Transparency) Code 2015 and the data which is published under The Accounts and Audit (England) Regulations (2011). It should be noted that the requirements to publish data under the Secretary of State guidance, the Code of Practice and the Regulations do differ and the respective requirements are summarised in Annex E to this Policy Statement. This Policy Statement does not cover or include school staff and is not required to do so.

Policy on remunerating Chief Officers

It is the policy of this council to establish a remuneration package for each Chief Officer post based on evaluation of the role to determine its size and consequently its position in the Chief Officer grading structure. The salaries attached to the structure are derived from the national framework for Chief Officers.

Increases to the salary scales are based on nationally negotiated settlements by the Joint Negotiating Committee for Chief Officers of Local Government, and progression through a salary scale is incremental and based on performance.

The remuneration of the Chief Executive is set by the council and is that

which is sufficient to attract and retain staff of the appropriate skills, knowledge, experience, abilities and qualities that is consistent with the council's requirements of the post in question at the relevant time. The last market comparison of Chief Executive pay took place in 2011 and showed City of York Council to be paying around the average for Unitary Chief Executives but the regional picture showed that York was the lowest paying single tier council.

Further details on the council's Policy on remunerating Chief Officers is set out in the schedule that is attached to this policy statement at Annex B.

Policy on remunerating the lowest paid in the workforce

The council applies terms and conditions of employment that have been negotiated and agreed through appropriate collective bargaining mechanisms (national or local) or as a consequence of council decisions, these are then incorporated into contracts of employment.

The council is a Living Wage accredited employer which means its lowest pay point is currently £7.85 per hour (£15,145 per annum) increasing to £8.25 per hour (£15,917 per annum) with effect from 1st April 2016. The Living Wage rate is a consolidation of basic salary and a Living Wage supplement.

Increases to the council's salary scales are in accordance with national pay settlements reached through negotiation by the National Joint Councils.

Apprenticeship Pay

With effect from 1st October 2015 apprentices pay was linked to the National Minimum Wage (NMW). Year 1 apprentices receive the equivalent of the NMW hourly rate for 18 to 20 year olds. Year 2 apprentices receive the equivalent of the NMW hourly rate for 21 year olds. Both rates will increase annually following any change that is made to the NMW in October 2016.

Policy on the relationship between Chief Officer remuneration and that of other staff

The highest paid base salary in this council is £130,000 which is paid to the Chief Executive. The average median salary in this council (not

including schools) is £23,255. The ratio between the two salaries, the 'pay multiple' is [5.59:1](#).

This council does not have a policy on maintaining or reaching a specific 'pay multiple', however the council is conscious of the need to ensure that the salary of the highest paid employee is not excessive and is consistent with the needs of the council as expressed in this Policy Statement.

The council's approach to the payment of other staff is based on locally or nationally negotiated grading and salary structures. It is to pay that which the council needs to pay to recruit and retain staff with the skills, knowledge and experience needed for the post in question and to ensure that the council meets any contractual requirements for staff including the application of any local or national collective agreements, or council decisions regarding pay.

Policy on other aspects of Chief Officer remuneration

Other aspects of Chief Officer remuneration are appropriate to be covered by this Policy Statement, these other aspects are defined as recruitment, pay increases, additions to pay, performance related pay, earn back, bonuses, termination payments, transparency and re-employment when in receipt of an LGPS pension or a redundancy/severance payment.

The Policy in respect of director's remuneration for Chief Officers who were also Executive Directors of City of York Trading Ltd has been withdrawn and no future payments will be made under the scheme.

These matters are addressed in the schedule that is attached to this policy statement at Annex C.

Approval of Salary Packages in excess of £100k

The council will ensure that, at the latest before an offer of appointment is made, any salary package for any post (not including schools) that is in excess of £100k will be considered by full Council. The salary package will be defined as base salary, any bonuses, fees, routinely payable allowances and benefits in kind that are due under the contract.

Flexibility to address recruitment issues for vacant posts

In the vast majority of circumstances the provisions of this Policy will enable the council to ensure that it can recruit effectively to any vacant post. There may be exceptional circumstances when there are recruitment difficulties for a particular post and where there is evidence that an element or elements of the remuneration package are not sufficient to secure an effective appointment. This Policy Statement recognises that this situation may arise in exceptional circumstances and therefore a departure from this Policy can be implemented without having to seek full Council approval for a change of the Policy Statement. Such a departure from this Policy will be expressly justified in each case and will be approved through an appropriate authority decision making route.

A review of senior management pay will be undertaken during 2016/17 any changes will be reflected in the next pay policy statement produced.

Amendments to the policy

If a change is considered to be appropriate during the year then a revised policy will be presented to full Council for consideration.
