Under Universal Credit a broader span of claimants are required to look for work than under Jobseeker's Allowance. As Universal Credit Full Service is rolled out in particular areas, the number of people recorded as being on the Claimant Count is therefore likely to rise.

Universal Credit Claimants

Universal Credit Claimants

The JSA figures should be viewed in the context of the number of people receiving Universal Credit in York increasing from 12,619 in December 2023 to 12,813 in January 2024. Under Universal Credit a broader span of claimants are required to look for work than under Jobseekers Allowance. As Universal Credit Full Service is rolled out in particular areas, the number of people recorded as being on the Claimant Count is therefore likely to rise.

On 12 July 2017 Universal Credit became available to parents and couples in the York area, until this date Universal Credit was only available to single job seekers in the area. From November 2019 the provisional figures will show the total of those claiming Universal Credit. A breakdown will only be shown when the figures are revised.

Source: DWP

Following the introduction of Universal Credit, the claimant count takes into account:

- people claiming contribution JSA (this is not affected by the introduction of Universal Credit)
- the figures for Universal Credit are provisional for the current month and may be revised in the next update.

Universal Credit Claimants

Universal Credit Claimants: Not in Employment

The number of Universal Claimants claiming out of work benefits in December 2023 was 6,724, which has increased by 8.3% from last year, when the total was 6,206. The not in employment figure for January 2024 will be available in February 2024, as the figure is published a month in arrears.

Nationally, the number of people claiming the not in employment element of Universal Credit has increased by 11.4% from the same period last year.

Regionally, the figure has increased by 13.3% from the same period last year.
