## Poverty

### Child Poverty

The proportion of children living in families in receipt of out-of-work (means-tested) benefits or in receipt of tax credits where their reported income is less than 60 per cent of UK median income.

Source: HM Revenue & Customs

### Fuel Poverty

The Low Income High Costs indicator is a twin indicator consisting of:

- the number of households that have both low incomes and high fuel costs; and
- the depth of fuel poverty amongst these fuel poor households.

This is measured through a fuel poverty gap which represents the difference between the required fuel costs for each household and the median required fuel costs.

### Experian Groups

#### B Prestige Positions

High value detached homes, married couples, managerial and senior positions, supporting students and older children, high assets and investments.

#### F Senior Security

Elderly singles and couples, homeowners, comfortable homes, additional pensions above state, don't like new technology.

#### D Domestic Success

Families with children, upmarket suburban homes, owned with a mortgage, 3 or 4 bedrooms, high internet use.

#### E Suburban Stability

Older families, some adult children at home, suburban mid-range homes, 3 bedrooms, have lived at same address some years.

#### H Aspiring Homemakers

Younger households, full-time employment, private suburbs, affordable housing costs, starter salaries.

#### A Country Living

Rural locations, well-off homeowners, attractive detached homes, higher self-employment, high car ownership.

#### G Rural Reality

Rural locations, village and outlying houses, agricultural employment, most are homeowners, affordable value homes.

## Copmanthorpe Ward Profile

<b>Experian Types</b>
