Fuel Poverty

The Low Income High Costs indicator is a twin indicator consisting of:
• the number of households that have both low incomes and high fuel costs; and
**• the depth of fuel poverty amongst these fuel poor households. This is measured through a fuel poverty gap which represents the difference between the required fuel costs for each household and the median required fuel costs.**

Experian Groups

M Family Basics

Families with children, aged 25 to 40, limited resources, some own low cost homes, some rent from social landlords.

K Modest Traditions

Mature age, homeowners, affordable housing, kids are grown up, suburban locations.

N Vintage Value

Elderly, living alone, low income, small houses and flats, need support.

L Transient Renters

Private renters, low length of residence, low cost housing, singles and sharers, older terraces.

H Aspiring Homemakers

Younger households, full-time employment, private suburbs, affordable housing costs, starter salaries.

F Senior Security

Elderly singles and couples, homeowners, comfortable homes, additional pensions above state, don't like new technology.

E Suburban Stability

Older families, some adult children at home, suburban mid-range homes, 3 bedrooms, have lived at same address some years.

Experian Types

M56 Solid Economy

Families with children, renting from social landlord, pockets of social housing, lower wage service roles, relatively stable finances.

K46 Self Supporters

Aged 46-65, singles living alone, income typically £20-25k, own 2 or 3 bedroom small homes, still working.

N61 Estate Veterans

Average age 75, often living alone, long term social renters of current home, living on estates with some deprivation, low income.

L51 Make Do & Move On

Late 20s and early 30s, singles and cohabitees without children, low length of residence, rent low value properties, search for jobs online.

M54 Childcare Squeeze

Married or cohabiting couples, likely to have pre-school children, outgoings high in proportion to income, own low value homes, both parents working.

M55 Families with Needs

Cohabiting couples & singles with kids, areas with high unemployment, low household income, small socially rented terraces and semis, moves tend to be within local community.

K47 Offspring Overspill

Pre-retirement, families with adult children, individual incomes not high, better off if children are contributing, own 3 bed semis and terraces.

O63 Streetwise Singles

Singles and sharers, low cost social flats, 1 or 2 bedrooms, urban and fringe locations, routine occupations.

L52 Midlife Stopgap

Homesharers and singles, in employment, don't have children, average age 45, privately renting affordable homes.

H31 First-Rung Futures

Younger couples and singles, own 2 or 3 bed semis and terraces, affordable suburbs, have lived there under 4 years, buy and sell on ebay.
