Why is information being collected?

The Council Plan is City of York Council's corporate strategy for the next 4 years, covering the period from 2019 to 2023. It will shape the way the council works and explain the areas of focus, with the aim of supporting a good quality of life for all our residents. We are proposing a framework of eight outcomes, which cover the key elements of what a city needs to achieve this quality of life.

We are conducting this consultation to invite residents and interested parties to consider what the Council Plan means to them and how we can achieve the eight outcomes. Responses will be used to help shape the Council Plan moving forwards.

We ask for some personal information to gain insight into the needs of particular communities and to ensure we are a fair and inclusive service provider.

Participation is voluntary and you can choose not to answer some of the survey questions. You can withdraw your consent at any time, by contacting business.intelligence@york.gov.uk

What information will be collected?
