

Privacy Notice for School Wellbeing Service Annual Survey for Schools and Settings

This privacy notice was completed in May 2023 and will be regularly reviewed. When we use your personal data, CYC complies with data protection legislation and is the registered 'Controller'. Our data protection notification is registered with the Information Commissioner's Office (ICO) – reference **Z5809563**.

Why is information being collected?

We send an annual survey to schools and settings to gather views and experiences relating to the School Wellbeing Service delivery – what they find helpful and areas to improve.

We use service feedback as part of a self-review of how we are meeting our responsibilities as required by School Forum, the Integrated Care Board, and the Local Authority. This will help to assist in the future planning of the service and help us understand what kind of impact we have on children, families, and educational settings.

What information will be collected?

The information we collect will comprise your responses to our feedback questionnaire.

The questionnaire has been developed by the School Wellbeing Service and asks about your experience of the service over the past academic year.

What will we do with the information?

The information we collect will be shared with the School Wellbeing Service team, so we can review service delivery.

The School Wellbeing Service privacy notice can be located at:

Any presentations, reports and statistics for publication or use outside of the authorised council staff, will be anonymised, and cannot be linked back to you, your family or individuals. We will keep the information you give us in CYC's secure network drive and make sure it can only be accessed by authorised staff.
