| AC-22-10         | Acomb | Lidgett Grove boiler           | Funding to replace the boiler that has broken in the main church and heats the building                                                                                                                                                                                                                                                                                                                                                                                                                                         | Reduces social deprivation              | 19/01/2023                                 | 26/01/2023                              | 8760                                                                      | Funding Released |
| AC-22-11         | Acomb | Boys Brigade                   | Funding for a new bus for Boys Brigade. The group is run by 9 adult volunteers and the youth provision is attended by more than 20 local children. The bus is used for fundraising by transporting and selling bricabrac at fairs, and used for transporting camping gear and residential trips.                                                                                                                                                                                                                                | Widening opportunities for young people | 16/03/2023                                 | 22/03/2023                              | 4000                                                                      | Funding Released |
| AC-22-12         | Acomb | Lidgett Grove Warm Places      | Lidgett Grove applied for £5000 from Good Place Warm Place funding. They were awarded a portion of the amount totalling £3500. The ward committee would like to fund the difference to top up the funding to £1,500                                                                                                                                                                                                                                                                                                             | Reduces social deprivation              | 16/12/2022                                 | 20/02/2023                              | 1500                                                                      | Funding Released |
| AC-22-13         | Acomb | Joseph Rowntree Theatre        | All-ward application for: a contribution for a new roof                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Improving the local environment         | 19/01/2023                                 | 20/02/2023                              | 2000                                                                      | Funding Released |
| AC-22-14         | Acomb | New Visuality                  | They would like to run an intergenerational community outreach project with 10 young people and 20 older residents from the Acomb ward, with creative arts projects centring around memories and identity/belonging in Acomb. The project aims to break down intergenerational barriers, increase community cohesion and bring together socially isolated members of the community. They plan to run the project within Acomb's two main hubs of the Take 5 café at Holy Redeemer, and the community café over at Lidgett Grove | Widening opportunities for young people | 20/01/2023                                 | 20/02/2023                              | 950                                                                       | Funding Released |
| AC-22-15         | Acomb | Henry's Boxing Gym             | To fund equipment costs, they have many users from the Acomb ward and would like to enhance the activities on offer with improved equipment                                                                                                                                                                                                                                                                                                                                                                                     | Improving health and wellbeing          | 30/01/2023                                 | 20/02/2023                              | 2000                                                                      | Funding Released |

| CL-20-12         | Clifton       | Clifton Green Primary School Fund  | See comments. The remaining application for £6,600 is to go towards parts of the 3 applications which are for the services of 1.) Matt Messias who is a coach & specialises in education. He is hugely popular with the children and we want to be able to extend it across the school & to the parents of our children. 2.) Commando Joe's provide a whole school targeted intervention to support raising standards for children. CJ provide educational learning & personal development services for schools across the UK. 3.)The Snack Shack has been running at Clifton Green for the past 4 years. Providing much needed additional food & food bank services it operates from our playground. Also, we are members of Fareshare a paid for service which gives us access to a delivery of food weekly which we can distribute to our families in Clifton. | Widening opportunities for young people | 18/11/2020                                 | 24/05/2022                              | 6600                                                                      | Funding Released |
| CL-21-18         | Clifton       | York Unlocked CIC                  | Opening buildings throughout York of architectural interest over the weekend of 15/16 October 2022. Giving schools a preview evening on the 14th October.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Widening opportunities for young people | 07/01/2022                                 | 15/02/2022                              | 2500                                                                      | Funding Released |

| CL-22-04         | Clifton | York Travellers Trust     | They have ran a community food stall since August 20 & since that time have seen demand increase as donations have decreased. Since their last round of ward funding they have registered with Fairshare Go. So now collect excess food from 2 supermarkets but this is unpredictable & doesn't include the staples that people want (tins, sauces, pasta etc). They will use ward funding to top up the stall each week to ensure that those who attend get the food they need & attract more people to the stall. They would like to use some of the funding to put on events & trips for those who attend the stall. | Reducing loneliness and isolation | 23/05/2022                                 | 23/05/2022                              | 4000                                                                      | Funding Released |

| CL-22-11         | Clifton      | Next Door But One CIC         | POW (Power of Women) is a 10 week programme for girls aged 8-12, providing them with a safe space to be creative, expressive & to build healthy relationships with other girls, exploring topics of body image, role models, periods and gender inequality. The funding would pay for a practitioner and an assistant to deliver the 10 week project to 20 young female identifying young people at Clifton Green Primary School as an after school club. The sessions would be an hour and a half in length and run from January to March 2023. Engagement in these workshops will be free. | Improving health and wellbeing          | 31/08/2022                                 | 04/10/2022                              | 2000                                                                      | Funding Released                                           |

| CO-22-06         | Copmanthorpe | Copmanthorpe & District Recreation Centre | Purchase of Carpet Tiles to protect the Sports Hall floor, newly installed year ending 31st March 2022. This would have the benefit of extending the range of activities offered in the Sports Hall. We propose also to purchase two storage trolleys to store the Carpet Tiles when not in use.                                                                                                                                                                                                                                                                                                                      | Increasing volunteering and community   | 01/12/2022                                 | 01/12/2022                              | 2921                                                                      | Funding Released |
| CO-22-07         | Copmanthorpe | Copmanthorpe Cricket Club                 | We have some equipment that is worn out and beyond its life, plus we are wanting to provide some coach training. The equipment provides a safer training and playing environment and having more coaches mean that we can increase the number of junior members, providing a stimulating experience.                                                                                                                                                                                                                                                                                                                  | Increasing volunteering and community   | 01/12/2022                                 | 01/12/2022                              | 360                                                                       | Funding Released |
| CO-22-08         | Copmanthorpe | Copmanthorpe & District Recreation Centre | Installation of acoustic panels in our Sports Hall to minimise interference from unwanted echoes. We have quotations from Atkinsons to supply and install the panels (13,328 + vat) and from Andy Aley, Sports Facilities Services (£1190 + vat) who will replace the protective nets on completion of the installation                                                                                                                                                                                                                                                                                               | Widening opportunities for young people | 05/12/2022                                 | 07/12/2022                              | 2259                                                                      | Funding Released |

| HE-22-20         | Heworth | Keeping Digital Foundation      | Keeping Digital Foundation is working in partnership with 100% Digital York to roll out a network of Digital Cafes, where York residents can get dedicated support in getting online. People can come along, have a warm drink and get answers to their questions about all things digital and ask for advice about getting the most out of their digital devices. Volunteers will be on hand to help people get online, and support could be anything from setting up a smart phone to signing up to the NHS app or York Council website. Focus being on providing follow on support to other areas around the city where people can access free digital support. No bookings are required, and people can stick around for a few minutes, or a couple of hours. This service will take place at St Wulstan's Church, Heworth, York. | Promoting community cohesion   | 27/11/2022                                 | 28/11/2022                              | 145                                                                       | Funding Released |
| HE-22-24         | Heworth | Bellfarm Community Association  | Bellfarm Community Association will provide a Food Bank from Bellfarm Social Hall, to help residents in the area throughout the cost-of-living crisis, this will be done by providing fresh fruit and veg, tinned/dried items to help residents stay fit and healthy in the next few months. Their services can also provide support for families struggling and help them to access relevant agencies that may be needed in this crisis time, including a warm space if and when they need it                                                                                                                                                                                                                                                                                                                                        | Improving health and wellbeing | 22/11/2022                                 | 26/11/2022                              | 3000                                                                      | Funding Released |

| HO-22-15         | Holgate | Friends of West Bank Park   | The project activity deters anti social behaviour and promotes security and community safety as well as involving volunteers in their community and local area. The funding bid supports two of the ward priorities: 'supporting and encouraging the efforts of local people and groups to continue to improve Holgate and provide activities for people of all ages', and 'supporting and encouraging strong, safe and friendly communities'                                                                                                                                  | Improving community safety            | 20/01/2023                                 | 24/01/2023                              | 4320                                                                      | Funding Released |
| HO-22-16         | Holgate | Henry's Boxing Gym          | Henry's Boxing Gym provide coaching and training to people in Holgate and have recently had to relocate. They are applying for moving costs and the costs to get the place ready to open. The majority of their current users are from the Holgate ward and so are keen to continue to support Holgate ward users with as little disruption as possible                                                                                                                                                                                                                        | Improving health and wellbeing        | 30/01/2023                                 | 01/02/2023                              | 1500                                                                      | Funding Released |
| HO-22-17         | Holgate | York Railway and Bowls Club | York Railway Bowls and Social Club for funding of £1,800 to install Wi-Fi and broadband access to the club, this would be of benefit and use to all of the community groups who have activities that take place at the club. It would also improve the security of the building with the improvement potential of CCTV and alarm system. The application is for the initial set-up and installation fee for the kit (router, cables and cabinet), and then the monthly ongoing cost of the WiFi (including annual maintenance) broadband contract will be met from Club funds. | Increasing volunteering and community | 09/02/2023                                 | 16/03/2023                              | 1800                                                                      | Funding Released |
| HO-22-19         | Holgate | Citizens Advice York        | to fund once-a-month advice sessions at the Lindsey Ave drop-in and support residents with confidential advice. This funding would be for twelve months of services, i.e. April 2023-March 2024                                                                                                                                                                                                                                                                                                                                                                                | Reduces social deprivation            | 14/03/2023                                 | 16/03/2023                              | 2490                                                                      | Funding Released |

| HO-22-20         | Holgate   | Acomb Methodist Church                          | Thursday 'Tea – To – Go' project have applied to the four wards they operate their food delivery service in. The aim of the project is to provide a nutritious home-cooked meal, free of charge for families and households in need in the Acomb, Dringhouses, Westfield and Holgate area. As Acomb Methodist Church borders each of the four wards, they support people from a mix of those four wards. They are currently supporting residents in need by providing and delivering between 40 – 80 meals for people a week. They accept referrals for families in need. | Reduces social deprivation        | 14/03/2023                                 | 16/03/2023                              | 800                                                                       | Funding Released |
| HO-22-21         | Holgate   | WEL Medical Limited and Poppleton Road Memorial | Funding for additional supplies to continue the use and standard of the defibrillators. | HW-21-10         | Haxby and Wigginton | HWYCA                                           | funding of £1,848 for a Pop-Inn coffee morning to run over the summer and into next year March 2022 for all ages of the community, from Oaken Grove community centre. The provision is targeted for two key groups - the youth, who will be offered something to do, enjoy and experience over the school holidays combatting boredom; and the older population and regulars, some of whom have experienced isolation over the past year from no Pop Inn lunch club. The pop inn coffee morning will run initially as a 6 week pilot with the plan for it to be a self-sustaining project. | Promoting community cohesion            | 29/06/2021                                 | 15/08/2021                              | 1848                                                                      | Funding Released                                           |
| HW-21-16         | Haxby and Wigginton | Helping Haxby Hedgehogs                         | We would like to expand the rescue, adding two more hospital spaces and two rehabilitation spaces. We would also like to purchase an incubator, which can be life saving for hedgehogs and in particular hoglets in treating hypothermia (most hedgehogs are dehydrated and hypothermic when they are found out in the day).                                                                                                                                                                                                                                                               | Improving the local environment         | 13/01/2022                                 | 03/02/2022                              | 750                                                                       | Funding Released                                           |

| RW-22-08         | Rural West | Poppleton Community Railway Nursery    | They would like to organise a thank you lunch for their volunteers for all the hours of unpaid work they do. They would also like to purchase replacements for our main printer, soil steriliser & water boiler. Our soil sterilizer is nearly rusted through and will need to be condemned before long. The water boiler broke down a month ago and is causing difficulties and delays in providing drinks for the volunteers and visitors at our open days. | Reducing loneliness and isolation                 | 26/09/2022                                 | 03/10/2022                              | £2,250                                                                    | Funding Released                                           |
| RW-22-10         | Rural West | York City Football Foundation          | Delivery of jumpers of goalpost recreational activity sessions for different age groups, including refreshments and education about positive use of parks and keeping them clean over the Easter half-term.                                                                                                                                                                                                                                                   | Widening opportunities for young people           | 12/10/2022                                 | 16/01/2023                              | £1,262                                                                    | Approved by Children's, Education and Communities Director |
