How do we get your information

We will collect information:

- When you complete a form, whether it is an electronic or a paper copy

We are using SurveyMonkey, and you can find out how they use your information, at <https://www.surveymonkey.com/mp/legal/privacy/>

Participation is voluntary and you can choose not to answer any of the questions.

What personal data do we process and why

We will ask for your feedback and opinions:

- How, why, and how often you travel through this location
- Your opinion on the current conditions at the location for pedestrians
- Your opinion on the proposed crossing introduction at the location and how effectively it addresses the safety and amenity issues in the area
- Any additional comments or suggestions that you may have that are relevant to this consultation
- Personal information including your age, gender, and disability status

The Council has undertaken feasibility work to compile potential proposals to install a new pedestrian crossing facility of Shipton Road close to its junction with Northolme Drive and Fylingdale Avenue. The Council wishes to invite the public to comment on the proposal for a new pedestrian crossing at this location and gather further feedback on resident's experiences at this junction.

Automated decision making
