

Following the introduction of Universal Credit, the claimant count takes into account:

- people claiming contribution JSA (this is not affected by the introduction of Universal Credit)
- people claiming income based JSA during the transition period to Universal Credit
- people claiming Universal Credit who are subject to labour market rules (available for work and actively seeking employment) - not yet available at Local Authority level.
- the figures for Universal Credit are provisional for the current month and may be revised in the next update.

Key Messages from today's release:

York overall picture:

The JSA Claimant count for York in April 2017 is 615.

This is a decrease of 10 from the previous month.

This represents 0.4% of the working age population. The region stands at 1.5% and GB at 1.2%.

Last Year - April 2016, the total was 645 (therefore a decrease of 30) and was 0.5% of the working age population.

The JSA figures should be viewed in context of the number of people receiving Universal Credit (UC) in York increasing from 715 in March 2017 to 721 in April 2017. Of which, 381 in March and 376 in April were not in employment.

The total of JSA claimants and UC (out of work) claimants is 1035. This is an increase of 25 (2.5%) since April 2016.

Since April 2016 the number of people on JSA has decreased by 4.7%.
